

1960 ARRL Sweepstakes

C. W. - Phone - Club Results

COMPILED BY ELLEN WHITE,* WIYYM

THE Sweepstakes, 73 c.w. and 73 phone contests rolled into one, embellished with an enthusiastic club competition, is the biggest, the best and the most fun to many, many hams in the ARRL field organization. From the moans accompanying miserable conditions November 12-13 to the cheers greeting band improvements November 19-20, this 1960 SS had it all!

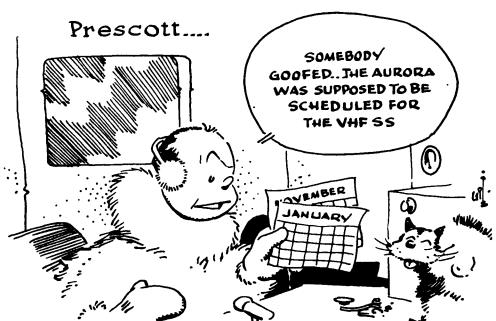

Slightly under 2000 logs were received representing all sections c.w. (1361 entries) and 70 sections phone (594 logs). If conditions are on the downgrade it's hard to tell by SS participation and enthusiasm. Universal lament; conditions that *first week end!* General approbation; the beneficial use of GMT.

On with it now, the tale of the 27th SS.

CALL-AREA HIGHLIGHTS

1 There's a first time for everything and the SS is no exception! Following a uniform log analysis, the E. Mass. c.w. logs of both K1DIR and W1AQE came up a dead heat, 600 QSOs — 72 sections — 108,000 points, even to 37 hours! Duplicate section awards, of course. Elsewhere in New England, W. Mass. multipliers were more than abundant thanks to W1s EOB and JYH. W1EOB edged out Rog by 25 two-ways, a real close one. Where was Vermont? Come now, W1QMM dispensed 329 messages, where were *you?* In Conn. W1DGL summed up the most, but John's Hq. status makes him ineligible for the award; section adjudication to K1HTV.

Vocally E. Mass. provided first district phone interest too with 17-year old K1KTH tallying 333/62 for 61,380 points. Old reliables W1GKJ (Me.) and W1FZ (N. H.) made their appearances audible and won familiar looking awards for their respective sections.

2 The New York-New Jersey circuit proves interesting in the light of K2s DGT and UPD making 1000 and plus reciprocal code contacts. If you'll note last May's *QST*, page 65, you'll see that K2DGT's credo is antennas. K2UPD maintained a rate of 33 exchanges hourly and along with all other second area section leaders bestowed 4771 messages, egad!

The microphone technique was mastered by K2GX1 who parlayed 550/73 into 119,574 and highest score amongst the twos. S. N. J. provided drama as W2LBX squeaked by WA2IEK with 201 points to spare and topped 46 other S. N. J. fans. K2TAP led many an N. L. I. phone contender with his 424/64 combination.

— · · · —
3 W3BES emerged victorious from the inveterate battle for E. Pa., with the third highest score in this portion of the competition. Jerry heads up a list of 20 W/K3s who made the clean sweep. A quick scan at the E. Pa. listing shows 15 who broke 100-K.

Reviewing the threes in an A-3 fashion, we see a repeat performance by K3DVS almost doubling his '59 total with 600 exchanges. Old pros W3ECR and W3MQC were in there pitching too while W. Pa. actives handed out almost 500 messages. Once again W3ZKH reaps honors for MDD.

— · · · —
4 The fourth area touches the Delta, Great Lakes, Roanoke and Southeastern Divisions and top code man among the many sections therein is W4DQS who relinquished the 1.25 multiplier but piled up QSOs like crazy (1362 all told) for a final score a bit under 200K. He who knows the fourth district must ask "where was W4KFC?" Although ill the first weekend Vic's final score looks healthy enough with 173,813 points! Tennessee's K4PUZ and W4CVI (Ky.) as well as W. Fla.'s W4HQN bettered 150K. If you were paying attention, like, you too would be one of the 325 happy ones who exchanged messages with KP4AOO who led three entries from the popular W. I.

Perusing the fourth district for phone-band activity, we can't help but be impressed by the slam-bang job done by Tennessee's K4LPW. As adept with a mike as with a key (K4LPW/W3-DGM) Mel dominated the fours with 646 exchanges, all sections and 141,474 points. Virginia's W4BVV led a field of 24 phone operators but Division-wise, North Carolina's K4FWF edged him out.

* Ass't. Communications Manager, Phone, ARRL

5 Among the fives are many Morse men and this year the maestro was W5WZQ who took time out from chasing DX (200 confirmed) to make 1301 QSOs and 2nd highest score on the A-1 frequencies. QSOs abounded from this district what with K5QNF and W5MCT topping 200 thousand points. Keep your eye and ear on the West Gulf Division for top scores in competitions to come. KZ5s TD and DF bestowed C. Z. multipliers on 656 of the faithful accompanied by many sighs of relief from the recipients.

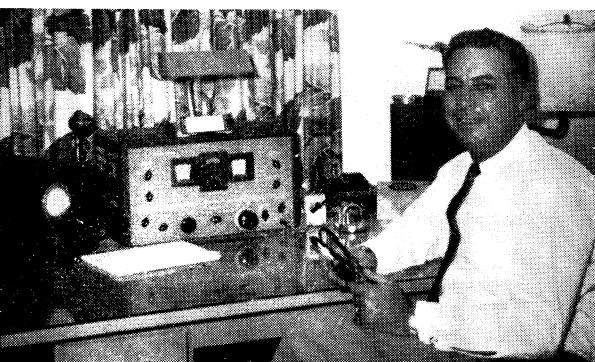

Three fives talked their way to top positions with W5KC in his usual stronghold as top man in Louisiana, with a fourth high country-wide score. Followers up were K5IID with 576/67 and XYL W5DRI with 506/71. K5TST was one of the popular multipliers confirming Arkansas credits.

6 Continuing his evident mastery of the California code success formula, W6ZVQ keyed some 1200 SDgo exchanges for 220,278 and fourth high national spot. Upstate the Santa Clara Valley was the scene of a melodramatic melee as W6QHS operated W6YX for 185,968 while W6UTV did all but trod on his heels with 185,310. K6CTV led Los Angeles and accomplished the magic mark of 1000. Some 2688 KH6 exchanges were greeted with an *aloha nui* by multiplier seekers as 8 Hawaii stations pounded brass. In his own inimitable fashion, *kamaaina* KH6IJ gave his lesson on "how to win a section award."

K6EVR was more than audible in his re-appearance on the A-3 Sweepstakes scene. Ron refashioned his 1958 record into a brand new version based on 1090/70 and 227K points. This represents the third highest total in the *entire c.w.-phone competition*. W5BJZ/KH6 was much in demand as he dispensed 459 in 62.

Code champs all, just check and see. From top to bottom: K6CTV, L. A. leader with 188,066 followed by one half of the winning E. Mass. tie, K1DIR. Bob used a Navigator-813 and SX101A plus a \$5 homebuilt cubical quad. Second from the bottom is top W7, W7KEV. Ed was first licensed in '36 as W9WTW in Colo. and has been W7KEV since '45 with the big signal from Nevada. Happy indeed with the loan of a new Invader transmitter for the SS, K6SXAB put it through its paces for the high spot in Iowa. Starting out in '56, Jim has won contests and awards galore and is currently studying at Grinnell College.

KN4WHV	KN5ZJK	KN9WRD	

7 Topping all sevens and always in c.w. demand was Nevada's W7KEV; coming up and passing the 200,000 target. A tight battle ensued in Oregon as W7JHA edged out W7TDK. Up in Alaska KL7KG dealt out 395 multipliers to avid followers of the SS game, while K7s CHH CRL and W7s BAJ HAH ZMD and ZN were on hand to furnish secs. galore.

Washington's W7BSW showed how to talk up the two-ways, summing up 714/73 and pointwise topping K7CHH's c.w. Washington computation. Wyoming was the scene of verbal excitement in a battle for section leadership as K7IAY outpointed W7CQL 48,198 to 47,676. Interesting were the line ups awaiting W7s JHL MKI and UGQ as they parcelled out Montana, Idaho and Oregon confirmations.

8 The onslaught of eights always leaves us aghast and this year's stack of 165 code contestants takes some wading through. While W8OYI made the charmed circle with his 1005 attestations, the big race was for the second slot in Michigan with K8IPR and W8s VPC and DUS trading signals with the pack.

If you haven't guessed who won phone for Ohio you just haven't been with it 'lo these many years' and naturally W8AJW ditto'd his umpteen voice victories, in case there's any doubt. The East River Amateur Radio Club of Bluefield, West Virginia was active under the club K8MIH with 7 operators dispersing 327 augmentations.

9 W9IOP set his c.w. sights even higher for 1960 and set a new SS record — 1424/73 and makes us ponder upon the possibilities some year of 300,000 SS points! The Wisconsin Valley mainstay W9RQM shows no signs of tiring as he keeps the pack in line and just about finishes papering a wall with 15 section awards! Averaging out the over-90 code contestants in Illinois smooths out the QSO average to about 223 per — *zounds!*

Voicing verbal versatility in the Central Division was W9NZM with 379/73 from Illinois with a closely seconded *voilà* from Wisconsin's W9VZP 398/68. Phone as well as c.w., Illinois put on the big showing from the Ill.-Ind.-Wisc. area.

0 The zeros in the Dakota-Midwest-Rocky Mt. Divisions set their sights east and west and you name it to register code scores worthy of respect. Out in Colorado the air may be thin but QSOs were thick and fast as WØEWH made close to 30/hour for the full forty. Meanwhile, KØMPH and WØSMV dispensed Dakota deals to 1348. Native Californian K6SX/AØ took time out from studies at Grinnell College to put a prototype transmitter through this most grueling of tests and *still* thinks 944/73 a "not very good" showing! WØYCR at 146K and WØJPH at 133K both helped put Minnesota in your log this time 'round.

WØPRZ always manages to find time to put South Dakota on the phone map in a big way. Up on the phone frequencies 640 vocal fanciers testify to *that!* Second top tally in zero-land comes from KØMMS (Iowa) at 81,165 followed by KØOER (Colo.) with 67,770.

The big c.w. signal from So. Texas was initiated by W5WZQ with 1301/73 and 235,608 points. Gear used: HQ170, Viking Valiant. Note the "proxos" on top and the judicious use of the clothes pin! Dave has been licensed 8 years on 80-10 and finds DX and contests irresistible.

VE Among the most popular signals present in any SS are those emanating from Canadian sections to the north with that elusive VE8 prefix cajoling the unwary with the blandishment "work 'em all." To make the c.w. report complete for '60 we even received VE8RW's log in time for publication! Highlighting VE/VO efforts was B. C. brightlight VE7EH with 793/71, while other fine efforts came from VE3BFA operating VE3UOT, VE6AO, VE2BAE, etc.

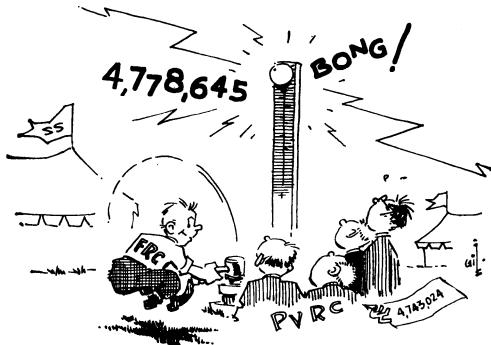

Phone-wise Canada caused many a moan this year, but cheers indeed for those who did get on and did report their results. *A votre sante bon amis* VE4SD, VE7CE, VE5ZM, VE3PV, VE6AAV, VE3CKW, VE6GB, VO1DZ and VE3JF.

W8OYI has been a ham since '26 and has always been a "regular" in the SS. Joel used a Viking I on 10 and 15 and the DX 100 on 20-40-80, with 75A-4 receiver. A mighty fine code showing, top W8 with 1005 two-ways.

Club Scores

Nip and tuck it was, in fact — as it has been during recent years! The Frankford Radio Club, with 58 members in the melee, totaled up 4,778-645 points. Another silver-banded gavel to the FRC gang for a fine showing. A hair's-breadth behind, averaging just over 83,000 points per member, appears the Potomac Valley Radio Club. This particular club competition was decided by so seemingly small a thing as a few logs that had been neglected to be sent in. All told, 84 clubs appear on the accompanying tabulation, representing activity from all portions of the field organization. Some 106 club members will shortly be receiving special club certificate awards for their activity and club support. The South Jersey Radio Assn. moved from 8th to 3rd place and serves notice that it intends to offer serious competition in all low frequency *as well as* high frequency contests in the future. The Ohio Valley Amateur Radio Association increased their 1959 SS aggregate by 71,237 points and moved from 7th to 3rd. From 11th to 5th, a sizeable step upwards, went the Connecticut Wireless Association. Despite the poor conditions during the first weekend, the Lake Success Radio Club raised their club total almost 79% over that of the previous year, FB!

On the negative side, 20 clubs failed to make the listing due to the lack of just one club score. Numerous others did not make the tabulation because of insufficient entries. It takes three to qualify for the listing, and three phone or c.w. submissions to warrant a club award.

Several of the finest of the phone signals heard in the 1960 Sweepstakes started out right here. On the left, W5DRI ousted OM W5DQK right out of the operating spot in front of the B&W 5100-75A-3 for this, her first SS. Dena talked her way to honors for Miss. with 506/71. On the right is the old pro K4LPW with 141 thousand phone figures from Tennessee. Mel started out in '27 as 3ATZ, W3DGM in '32 and K4LPW in '56 and made this his initial crack at a phone SS. Note the HT32, SX101A and home-brew 400-watt linear in the HT31 cabinet (the latter not used in the SS). Among the items on the shelf are a homemade direction globe, Select-O-Ject, s.w.r. bridge, keying monitor, match box and FRC SS trophy with ARRL gavel.

* Tied for section award.

year improvements were made in nearly everything — new receiver, more power, greater frequency flexibility, roomier operating position, more comfortable chair and sponge rubber cushions for earphones." — **WØKCG**. . . . "Glad to get all 73 although R. I. was almost the spoiler." — **W3QF**.

"My first serious SS and loved every minute of it." — **W6LRU**. . . . "Previous to this phone SS I had engaged tree trimmers to come and free my 80 and 20 meter antennas from the trees which surround them. What happened? Sunday morning of the 2nd weekend with the phone bands the best ever heard, they started their chain saws and were right up in the trees. Ever tried to copy phone through chain-saw ignition right up next to your beam?" — **W1DIS**. . . . "The widespread use of GMT eliminated much confusion." — **K8GJD**. . . . "Poor conditions, low power and low antennas equal no W1/K1 QSOs." — **KH6DVG**. . . .

"I netted 250 hard earned contacts that disastrous first weekend, an even hundred with E. Pa. stations." — **W3GYP**. . . . "While I worked K8VLU for an SS phone contact, I was QRMD by K8LUV who was carrying on a QSO. It took a minute or two to verify which one was in the SS!" — **W5FHL**. . . . "Kind of disappointing not to find more activity in the 40-meter Novice band." — **KNØYVZ**. . . . "Poor conditions the first weekend, the second weekend my daughter got married." — **W9LNQ**. . . . "All sections worked twice except Wyo. and C. Z. Worked all sections in the first 15 hours and 43 minutes. Sick the first weekend." — **W4KFC** (prime example of inherent superb timing, that first weekend was the time to be sick — *Ed.*). . . . "Gave up on Vermont for phone. Quite a while later I called CQ SS and sure enough, I was answered by Vt.'s K1KSS." — **W7BSW**. . . . "If it hadn't been for 14 Mc s.s.b. the first

¹ K9PQT, opr. ² K2JVB, opr. ³ K9GJD, opr.

weekend my score probably would have been halved." — **K6EVR**. . . . "Vertical on 15 helped me triple previous score and double section total, but still wish the score was as high as my enthusiasm." — **WA6CPM**. . . . "Called Wyo. 7THR who came back with *Wkd B4* and since my check list was a page behind I believed him. I couldn't find him later and worked all except Wyo. Darn that **W3EIS!**" — **W3EIV**. . . . "Biggest complaint is about the stations that kept calling K7HDF and asking what section CZ was." — **KZ5DF**. . . . "It was a great contest this year and I am proud to have been a participant." — **K5VJT**. . . . "I can see missing KH6 and KL7, but how the heck did I miss N.C.?" — **K4CSY**. . . . "A bit of a busman's holiday for a commercial ships operator, but loads of fun anyway. My first since '55 as I'm generally at sea during the SS." — **W2BXS**. . . . "Pre-printed personal logs, automatic keyer and dipoles slanting westwards on 40 and 80 all seemed to help." — **W2GND**. . . . "Clock stays on GMT from now

VERMONT WAS A PRIZE FOR W4GF.....AND IT WASN'T EASY

on." — **W6QXF**. . . . "Heard a guy send Vt. after his call. Found he wasn't in the contest but persuaded him to give me a number and his time and left him there clutching my number and the rest. Ten minutes later I heard him sending **CQ No SS**, my only Vt. QSO." — **W4GF**. . . . "A very pleasant surprise to hear so many WA and K stations pounding brass. 46% of my QSOs were with these boys and their c.w. was excellent. Here is one old timer that was wrong. My hat is off to these boys and my hearty congratulations." — **W8NBK**. . . . "First time on phone and amazed at the results. Predict s.s.b. will eventually beat c.w." — **K4LPW**. . . . "Except for the blackout, mismatched coax, smoking rotor box, lack of grid drive on 20, sparkling rectifiers, blown fuses, lost pencils, drowsiness and the virus it wasn't bad. Highlights? When I worked 3 KH6s in 4 QSOs and when I finally got to bed Monday morning." — **K1KRP**. . . . "Conditions being what they were I'm glad that the SS does go two weekends 'cuz very few thrills in 28 years of hammering will match the one I got when I finally landed all 73 in an SS." — **K8QJH**. . . . "Still kicking myself for missing the C. Z. the first weekend." — **VE3BF4**, opr. VE3UOT. . . . "This was my first SS after a five year layoff and my best score to date. The general level of operating skill has risen considerably. I believe this to be a major factor in the increase of scores from year to year." — **W8NCS**. . . . "First weekend oldest son confirmed, second weekend youngest daughter born." — **K8DXZ**. . . . "What about a Q-signal for worked before?" — **K3DPQ**. . . . "I foiled Murphy's law by testing the rig two hours before the contest began. Yep, burned out the r.f. choke!!" — **K9RHN**. . . . "The 2nd weekend a gale force wind-storm twisted my beam rotator mount 120 degrees from true. I had to climb the 67 ft. cedar tree during the contest and make repairs." — **VE7EH**. . . . "A tape keyer was used as a CQ wheel and worked fine. At times two receivers were used with split phones, using one to spot a CQ while finishing up with another." — **K2SSX**. . . . "If a man strive for the mastery, yet is he not crowned, except he strive lawfully." — II Timothy 2:5 — **W3EAN**. . . . "Finally worked W7KEV for Nevada, my 50th." — **K3JLI**. . . . "I hope next year everyone will use GMT and also will put my number on the QSLs they send me." — **K8MPH**. . . . "Thanks to the guys who took time to give an honest report. I was warned of a bad oscillator and able to get rid of a rough note. OO W3EIS took time to look me over." — **W5NTM**.

Disqualifications

In accordance with SS Rule #7, entries from the following amateurs have been disqualified: W9WNV, W9VXO.

C. W. SCORES

Twenty-Seventh Sweepstakes Contest

Scores are grouped by Divisions and Sections. . . . The operator of the station first-listed in each Section is award winner for that Section unless otherwise indicated. . . . Likewise the "power factor" used in computing points in each score is indicated by the letter A or B. . . . A indicates power up to and including 150 watts (multiplier of 1.25, c.w.), B over 150 watts (multiplier of 1). . . . The total operating time to the nearest hour, when given for each station, is the last figure following the score. . . . Example of listings: W3BES 226,483-1241-73-A-40, or final score 226,483, number of stations 1241, number of sections 73, power factor of 1.25, total operating time 40 hours. . . . An asterisk denotes Novice certificate winners. Multi-operator stations are grouped in order of score following single-operator station listings in each section tabulation.

E. Pa. is the usual scene for "top" scores—witness the highest Novice sum by the now K3KRF. Joe worked 104 on 40 and 15, currently uses an Apache, HQ110 and 2-element tri-bander.
