

● 1966 Novice Roundup Results ●

Recognize any of the above calls? This represents the QSL onslaught at W1AW in the weeks following the Roundup

Feb. 5-20 test a success!

THE 1966 Novice Roundup results enters the QST annals recording the results of 317 Novices and 103 non-Novices, a significant 13% increase in reported activity over a similar period in 1965. This initial try at a contest operation is an ideal time for the tyro to become exposed to good c.w. procedures, snappy exchanges, new states for WAS, etc. The results should become readily apparent this coming November in the SS classic.

The trend towards higher scores is readily apparent. Last year's high scorer WNØKHD barely topped 20-K. This year, 8 Novice participants made better than that mark: WN1FNK WN5OJL WN5OFZ WN3DRU WN8RWU WN8QPT WN3DNL and WN4XR/4—f.b.!

Handsome certificate awards are scheduled for July 15 mailing.

—W1YYM

SCORES

Scores are grouped by ARRL Divisions and Sections. The operator of the station listed first in each section is award winner for that section. Example of listings: WN3DUH 1428-68-21-18, or final score 1428, number of stations 68, number of sections 21, total operating time 18 hours.

Soapbox

"Much fun." — WN3DRU. "Increased my WAS from 32 to 45 and worked WIWI!" — WN2ULK. "Strong local QRM made operating tough at times." — WN2UHK

University of Cincinnati sophomore WN8QPF just missed out leading Ohio with 320 exchanges in 63 sections. Marianne upped her WAS total by 20 and attributes her enjoyable interest to the enthusiasm of K8LNL.
