

2004 ARRL International DX CW Contest Results

A 'tween year.

What's a "tween"? The most common definition is a kid who is past early childhood but hasn't made it to being a teenager. A "tween" would be an 11 year old, for example. In ham radio, the "tweens" are also related to an 11 year old, but in our case it refers to the 11-year peak and dip of the sunspot cycle. The ham radio "tweens" are those years between the cycle peak and cycle lull that can allow for some spectacular contest band conditions.

The cycle peaks usually see very high scores posted in contests for no other reason than open bands provide more opportunity for a large number of QSOs. Multiplier counts can be good, but generally suffer on the low bands at cycle peaks from lack of adequate low band conditions. The cycle dips are not good for high scoring because the low bands do not produce the sheer number of contacts needed, despite relative ease of finding and working low band multipliers.

The "tween" years provide an excellent opportunity—on the right weekend—for very high scores to be posted for ARRL DX CW and for records to be broken. The right weekend requires both quiet low band conditions for multiplier chasing and solid DX openings on 10 and 15 meters to occur.

Records fell like leaves as the bands showed a fabulous combination of solid high band DX openings and quiet low band conditions. From the W/VE side, new category records were set for domestic operators in the Single Operator High Power, Multioperator Single Transmitter, 40 meter single band and 80 meter single band categories. From the DX side, new high marks for Single Operator Low Power, Single Operator QRP, Single Operator Assisted, 80 meter single band and 160 meter single band were achieved.

Though no new record was set in the category, the most competitive race of 2004 was DX Multioperator Two Transmitter that saw 4 Caribbean DXpeditions battling it out in a very tight squeeze for the #1 spot. In the end, it came down to the log checking process to sort it out and

Here's the K4JA Multi-Two crew. From the left: Mike, AJ9C; Pete, N4ZR; Chad, WE9V; Bruce, W3BP; Paul, K4JA; Larry, K7SV, and Jerry, KE9I.

the winner was determined by a margin of only 7 contacts out of 7700+ made by each of two teams.

W/VE QRP

Second place finisher in 2003 and perennial QRP entrant Tom Russell, N4KG (AL), pushed it up a notch to take the #1 spot with a line score of 927 contacts, 344 multipliers and a point total of 956,664. Congratulations, Tom!

Second place, and the new W3 call area record for the QRP category, went to Robert Schreibmaier, K3PH (EPA). K3PH's 1035 contacts were the most recorded of any 2004 QRP entrant, but N4KG's extra

48 multipliers were enough to make up the difference for the victory.

Third place went to Thomas Magera, N1TM (CT), at 649,728.

High QRP score from west of the Mississippi was recorded by 1999 ARRL DX CW QRP winner Gary Hembree, N7IR (AZ), with 552 QSOs for a score of 394,128. This was also Gary's 7th consecutive appearance in the QRP top 10.

W/VE Low Power

This year's W/VE low power winner, taking home the Dauberville DX Association plaque is Yankee Clipper Contest Club's Jim Bowman, KS1J (RI). His line score of 2186/368 for 2,413,344 points was a solid margin of victory over Potomac Valley Radio Club member Maury Peiperl, W3EF (MDC). Maury's score of 1887/404 and 2,287,044 was good enough to set the new W3 call area Low Power record.

Florida was represented at #3 with Palm City's Paul Tibbets, K1PT (SFL) finishing third with 1775/404 for 2,151,300 points.

High finisher from west of the Mississippi was Marv Bloomquist, N5AW (STX). Running a SteppIR 4 el Yagi at 135 feet from his ranch in the Texas hill country, Marv's score of 1459/411 for

category. Charles' line score of 3762/535 for 6,038,010 points represents his 5th Single Op Assisted win in ARRL DX CW. Congratulations!

With his Bonaire QTH occupied by the KU8E-led team at PJ4R, Noah Gottfried, K2NG (NNJ), took on the challenge of the Assisted category to finish second with a score of 5,200,281.

A close race for the rest of the top 5 ensued, with Ray Higgins, W2RE (ENY), at 4,432,560 topping Bud Trench, AA3B (EPA), at 4,316,235 and Alan Snyder, KF3B (EPA), 4,249,785 for third, fourth and fifth positions, respectively.

Top score from west of the Mississippi (and outside the northeastern USA) was south Texas' Jim George, N3BB, who won the West Gulf Division title enroute to a #10 overall placing with a line score of 2106/481 for 3,038,958 points. Jim's score also is the new W5 call area record.

W/VE Single Band

160 and 80 meters both featured wins from the same Prince Edward Island QTH and a new W/VE score record for 80 meters. After enduring a harrowing journey to reach the VY2ZM station in a raging snowstorm, Jeff Briggs, K1ZM/VY2ZM, and Krassy Petkov, K1LZ/VY2LZ, operated side-by-side at the VY2ZM QTH to win the W/VE single band category for both bands. The VY2LZ score on 80 meters of 356,034 is the new W/VE scoring record and ends the 10 year win streak on 80 meters of Robye Lahlum, W1MK. Jeff's score from VY2ZM on 160 meters of 106,704 was his second consecutive W/VE win on top band.

There was another score record set in the W/VE single band categories, and it belongs to Paul Newberry, N4PN, on 40 meters. Paul took advantage of a great salt water QTH on the Gulf Coast at St George Island, Florida to rack up 1351 QSOs and an amazing 120 multipliers for a score of 486,360. This breaks the 1991 40 meter single band record of K1ZM, which had been the oldest single band ARRL DX CW record on the books previous to this point.

20 meters featured a win by John Naberezny, WE2F (ENY), with a line score of 1473/117 for 517,023. Prince Edward Island was again represented in a single band category by K6LA, who operated VY2TT to a second place single band 20 meter finish at 470,586 points.

Moving up a band to 15 meters was Brian Edward, N2MF (WNY), who won the 20 meter single band category in 2003, and also was victorious on 15 meters in 2001 and 2002. Brian's score of 1551/111 for 516,483 points narrowly edged out Austin Regal, N4WW (NFL), at 1491/112 for 500,976 for the 15 meter title.

10 meters featured another single band win from a southern QTH with Cort Judd, K4WI, of Alabama scoring 201,996 points

Steve, AK0M, unfortunately had to "rough it" as C6ASB during the contest. I am sure many would gladly "suffer" with him.

on 724 contacts. Charles Carroll, K1XX, operated K9ES from South Florida to a second place 10 meter finish with a score total of 142,830.

W/VE Multioperator Categories

The man with one of the biggest smiles at Dayton this year had to be Jim Idelson, K1IR. His team of himself, K1NU, K1OA, K1VR, KE1J and W1VE operated the K1IR station in eastern Massachusetts to a solid victory and the Northern Illinois DX Association plaque in the W/VE Multioperator, Single Transmitter category. The K1IR line score of 4437/554 for 7,374,294 points is both the new category scoring record, breaking the 2001 record of W4AN, and the first time 7 million points has been topped by a M/S entry.

Coming in second in the Multioperator, Single Transmitter category was the two-man team of Steve Sussman, W3BGN, and Tom Wall, K2TW. Operating as W3BGN (EPA), the two of them racked up a score of 6,879,210 to also top the previous W4AN record and set a new high mark for the W3 call area.

Mad River Radio Club operators K8CC, KK8I and W8MJ operated K8CC to a third place finish with a line score of 3148/529 for 4,995,876 points.

In Multioperator, Two Transmitter, the Society of Midwest Contesters plaque was taken for the second consecutive year by the seasoned team led by Paul Hellenberg, K4JA (VA). Consisting of himself, W3BP, N4ZR, AJ9C, KE9I, K7SV and WE9V, their line score 6692/627 for 12,587,652 points was enough to beat back a competitive effort from the #2 team led by Tom Frenaye, K1KI. K1KI with K1CC, KM1P, W1RM and K2SX operated Tom's Connecticut station to 6275 QSOs for a score of 11,539,725 points.

Tenth place Multi-2 finisher VE3RM (VE3RM, VE2NI, VE2WU, VE3FU, VE3IAY, VE3JM, ops) set a new Canadian record in the category with 4,789,092 points.

CQ Contest Hall of Fame member Frank Donovan, W3LPL (MDC), is not one to revel in past glory, and continued his long tradition of battling it out in the com-

petitive Multioperator Multitransmitter category by leading his team of W3LPL, K1HTV, W2GG, AI3M, K3MM, N3OC, K3RA, K3RV, KD4D, K4ZA, K4ZW to a 2004 victory with a total score of 15,999,444 points.

Another long time M/M category entrant is Tim Duffy, K3LR (WPA), and Tim led his 2004 crew of himself, N2NC, W2RQ, K3UA, N3GJ, N3RA, K8CX, N9RV, W9ZRX, VE3DX, VE3EJ and VE7ZO to second place category finish with a total score of 15,130,926 points.

DX High Power

Winning the DX High Power category generally requires building or renting a station in a far-off locale and traveling there in an attempt to beat out all the other like-minded operators who have done the same thing in pursuit of victory. This year was no exception with D4B operator Alexander Teimurazov, 4L5A, making an 18 hour multi-stop plane trip from Moscow to his contest station in the Cape Verde Islands off the west coast of Africa to operate ARRL DX CW. Finishing third in 2003, Alex was determined that 2004 was going to be his year and he operated D4B to a score of 6,245,262 points for his first ARRL DX CW contest win and a new African continent record. Congrats, OM!

After D4B, a battle for the #2 through #7 spots ensued with only about 6 percent of score total separating the next 6 positions. It was Walt Stinson, W0CP, who was next through the log checking process to operate V31DJ from Belize to a second place finish with a line score of 5406/339 for 5,497,902 points. Right on Walt's tail was Andy Faber, AE6Y, operating P40Y from Aruba to a third place finish at 5180/342 for 5,314,680.

Best High Power score from Europe was GI0KOW (Andrew, GI0NWG, op) who finished 12th overall with a score of 3,410,184 points. The top Asian High Power scorer was A61AJ, operated by Robert, S53R. Top score from Oceania was Stan at Indonesia's YB0AJR.

DX Low Power

Paul Gentry, K9PG, was our 2003 High Power winner from WP3R and he returned to Puerto Rico again for 2004, this time leaving the amplifier in the standby position. Operating in the Low Power category, Paul's WP3R line score of 5268/344 for 5,436,576 points would have been a #3 finish in the High Power category and is the new DX Low Power scoring record. Paul's Low Power win is his second, the first coming from FS5PL in 1996.

CQ Contest Hall of Famer and WRTC competitor John Crovelli, W2GD, operated P40W from Aruba to a second place Low Power finish with a score of 4,773,798 points, also topping the old 6V6U record.

Other Low Power continental leaders were CS6T (CT1ILT, op) for Europe, who scored 2,379,456 for a 7th place overall finish, EA8/ON5UM for Africa, TA2ZF for Asia, and ZL2BR for Oceania.

DX QRP

Olivier Le Cam, F5MZM, operating FY5KE from French Guiana is our 2004

winner in the DX QRP category. His line score of 2962/293 for 2,603,598 beats the previous DX QRP category record he set in the 2003 running. In 2003 Olivier had more than 1000 contacts on 10 meters to cruise to the win; 2004 featured a 1000+ contact run on 15 meters for a runaway category win.

Ed, LU5FZ, made 822 contacts from

Argentina for a total score of 360,036 and a second place finish. After the first two positions, the rest of the top 10 consisted of European operators with Stefan Melcer, OM7DX #1 Europe and third overall with 603 QSOs and a score of 238,788. Peter Egger, HB9BMY, and Emilio Arenas, EA7AAW, rounded out the top 5.

Leading DX QRP scores from North America was HP1/NV7X, from Oceania N7ET/DU7 and from Asia JR4DAH.

DX Single Band

The Bahama Islands were the scene of a pair of DX single band victories and two new single band records set by two American contest operators.

On top band, it was Brian Kassel, K7RE, who operated C6ALK to 142,128 points, breaking the 1997 DX 160 meter single band record held by V26CW (NM9H, op). Finishing second was Gerd Sapper, DJ4KW, who operated V31YN from Belize with a score of 71,298.

On 80 meters, Bob Patten, N4BP, operated C6AKQ to a score of 255,765 points, topping the 1997 record of HH2AW (9A3A, op) and pulling in for his second consecutive DX 80 meter single band victory. Second place went to Patrick Destrem, F6IRF, who operated FG5BG to a score of 221,604.

40 meters was won from the mammoth IR4T contest station, this time operated by Gabriele Macchi, IK4UPB. Gabriele's line score of 1497/58 for 260,478 points was just enough to squeak by strong performances from Matkic Ivica, T96Q, at 245,676 in second place and Krzysztof Sobon, SP7GIQ, operating as SN7Q at 236,151, third.

20 meters was won handily from the Canary Islands by EA8/OH4NL operated by Mauri Leppala, OH2BYS. Mauri's line score of 1759/59 for 311,343 provided a solid margin of victory over second place finisher M5X, operated by Justin Snow, G4TSH, to a score of 263,730 points.

W/VE Single Operator Region Leaders

15 meters featured a close finish with Joe Staples, W5ASP, operating ZF1A to victory with 2149 QSOs for a total score of 380,373 points. Right behind Joe was Paolo Cortese, I2UIY, who operated P40G from Aruba to 2038 QSOs for 360,726 points.

10 meters was the battle of the Argentineans with LT1F (LU2FM, op) coming in #1 at 284,316; LT5F (LU4FPZ, op) #2 with 249,039, and LT1A (LU3CT, op) #3 at 199,926.

DX Single Op, Assisted

In the DX Single Op, Assisted category we saw 2002 DX High Power winner Mike Gibson, KH6ND, operate KH7X to victory and a new category record with a line score of 4933/337 for 4,987,263 points. Mike's win is the first in the DX SO/A category from the Pacific since KH6RS took #1 in 1997.

Coming in second was previous record holder and 2002 and 2003 DXSO/Assisted winner Ed Włodarski, N2ED, operating from Antigua as V26G to a score of 4,419,576.

The next four positions in the top 10 were taken by European operators, with DL5AWI and DK3GI finishing a close (to each other) third and fourth with 1,996,893 and 1,881,684, respectively. Not far behind in the #5 slot was HG3M (HA3MY, op) at 1,867,536.

High South American score was posted by #7 finisher PY2YP at 1,364,880. High score posted from Asia was Jordan's JY9QJ.

DX Multioperator Categories

A close race ensued for the top spot in the DX Multioperator Single Transmitter class, with two two-man operating teams finishing within 1% of each other and both just short of the all-time category scoring record.

It was the effort of Will Roberts, AA4NC and Jim Stevens, K4MA, operating 8P9JA from Barbados to victory in the DX M/S category. This is the fourth win in the M/S category for 'NC and 'MA from 8P9JA,

with previous wins in 1999, 2000 and 2002. The 8P9JA line score of 5752/345 for 5,953,320 was just enough to top second place finisher VP5K on Turks and Caicos. The VP5K team of Mark Obermann, AG9A, and Ray Sokola, K9RS, had 5652/348 for 5,900,688 points but the three extra multipliers were not enough to make up the 100 QSO lead of the 8P team.

High African score was #5 finisher EA8ZS at 2,561,418. The high European M/S score was #6 overall finisher OM7M at 2,518,776. High South America M/S finisher was LQ7D. High M/S Asian score was posted by JA2ZJW.

Razor thin. That's the margin of victory accurately described when a 7700-QSO effort by two teams is won or lost by a score margin equivalent to 7 contacts. It was a total of 4 Caribbean DXpeditions that battled it out this time for the top score in the ultra-competitive Multioperator Two Transmitter category. All four of them were in a statistical tie for the top spot going into the log checking process—within the general operator logging error margin, any of the 4 teams in the top 4 could have ended up at #1.

Coming in with their first ARRL DX CW multioperator category-win was the Caribbean Contesting Consortium team led by Geoff Howard, W0CG, and operating from Signal Point in Curacao as PJ2T.

But it was *close*. The CCC group of W0CG, N1ZZ, W8AV, W8TK and W0NB were closely followed by an expedition to French St Martin that consisted of K3LP, N3KS, W3ARS, K4EU, N7DD and N8II operating as FS5UQ. PJ2T's line score of 7773/347 for 8,091,693 was barely enough to top FS5UQ at 7744/348 for 8,084,736. Given the +1 multiplier count for FS5UQ, that's a margin of 7 contacts for PJ2T that made the difference for the win.

Jim White, K4OJ, loved contesting and his sudden passing at age 48 led his friends in the Florida Contest Group to arrange a last minute change in Dominica to use J7OJ rather than J7A as their ARRL DX CW call

sign. The K5KG-led group was able to get permission to use J7OJ only 24 hours before the beginning of the contest—kudos to the Dominican licensing authority for arranging it so quickly for them. The J7OJ group of K5KG, K3TEJ and W4IX finished a very strong third at 7,924,350 points, just 2.1% off the PJ2T lead.

High European M/2 finisher was DL1MGB at 5th overall with 3,333,876 points. High Asian score was posted by JA1ZLO.

In the multioperator, multitransmitter category it was Portugal's CS6V operated by German amateurs DL3OI, DL4LQM, DL4WG, DL5AXX, DL5LYM and DL8WAA finishing first with 7,202,835 points. Second place went to an American DXpedition to St Lucia where J6DX was operated by WA1T, K1T, N6JRL, W8QID, K9JE, N9AG and NØFW to a total score of 6,768,798 points. Close behind the J6DX group was the Costa Rican expedition TI5N operated by K7AR, KI7Y, TI2WGO, W7YAQ and WJ7R at 6,723,834. High Asian M/M score was #6 finisher JA3YBK at 2,295,915.

Coda

Nothing lasts—what is here today is gone tomorrow, including us as individuals. This is an indisputable fact of life. Another consideration, therefore, is to reflect on those who have died, their lives taken from them sometimes suddenly. In addition to his many other contest accomplishments, Bill Fisher, W4AN, led his station to a 2001 victory in the W/VE Multioperator, Single Transmitter category—setting the scoring record that was broken this year—and was the 1991 W/VE Low Power winner as KM9P. His untimely death on April 4 of this year was a reminder of how impermanent we and our achievements are. Bill's ashes were scattered at the base of the big 40 meter tower at his beloved world-class Dahlonega, Georgia contest station shortly after his death. Many of us in the contest community considered him friend and mentor, and he will be missed. Bill—73, OM. 

Scores

Scores are listed by DXCC Countries and ARRL\RAC Sections. Within each Country or Section, scores are listed in descending order, by power categories, followed by multi-operators. Line scores list call sign, score, QSOs, multipliers, power (A = QRP, B = Low Power, C = High Power, D = Multioperator), and band.
