Participant Handout for 2022 "N6R" Field Day Event, held at the Reagan Presidential Library (Simi Valley, CA)

General Information:

1. **Contacts**: Use any of the following persons for event questions, or to reach Library personnel

   a. **Vern Potter   - W6NCT,** N6R Field Day Chairman, as well as Health and Safety Officer (see details below), Primary contact for interfacing with Reagan Library Staff, 805-390-2753 (private cell), w6nct@arrl.net

   b. **Stu Sheldon   - AG6AG,** N6R event Vice-chairman, backup Public Information Officer (PIO-2, when Peter (N6ZE) is not available), Wifi Network support; also Band Captain for 15m-PH+Digital, 805-462-7835 (private cell), stu@ag6ag.org

   c. **Rick Slater   - NQ6X** (formerly AG6AY), Primary contact for N1MM Logging Software, backup for Wifi Network support; also Band Captain for 75/80m-PH+Digital.   805-501-5085 (private cell), rlslater@gmail.com

   d. **Peter Heins   - N6ZE,** Official holder of "N6R" Special Event call-sign (used for the event), and Primary Public Information Officer (PIO-1); also Band Captain for 20m-PH.

Participant Handout for 2022 "N6R" Field Day Event, held at the Reagan Presidential Library (Simi Valley, CA)

2. **COVID-19 related Status and Protocols:**

   a. **We (N6R) are guests at the Reagan Presidential Library** (RR-Lib) a National Archives (NARA) facility with its own (Federal) guidelines and rules; and as such, we may be subject to slightly different rules from general California and Ventura properties.

   b. At the time of our **FD-2021** event (i.e., last year), the Reagan Presidential Library (RR-Lib) was actively requiring and checking vaccination and health status for all employees, staff, and visitors. In addition, they were enforcing masking and social distancing requirements, as recommended by various Public Health related organizations (e.g., CDC; California, Los Angeles, and Ventura County Health Departments, etc.).

      a. Since that time, the health conditions in our local region improved for a time, enough to allow the RR-Lib to drop almost all of its "hard requirements" relating to COVID (e.g., masking, social distancing, vaccinations,…). Even without the more-stringent requirements, they still encouraged *sensible precautions* on a case by case basis (e.g., "stay home if you feel sick", individuals should feel free to continue wearing masks and Social Distancing, if you still feel it prudent,…).

   c. As of 5/25/2022, the UPDATED (**2022**) RR-Lib guidelines are as follows:

      a. Officially, *all COVID-19 related protocols have been lifted*; but the Library remains *vigilant*, monitoring the data and recommendations of the various Public Health related organizations.

      b. That said, our most-recent trend (i.e., for COVID related outbreaks in this geographic area) have shown subtle signs, trending upward; but **not** yet to the point where it would trigger re-instituting *strict protocols* again (ref. more information visit *www.vcrecovers.org*).

      c. If/when conditions warrant, the Library remains ready to reinstate whatever protocols are appropriate to protect the health and welfare of visitors and staff.

   d. Due to the proximity to the pandemic, all of our (**N6R FD-2022**) participants have been encouraged to be ***fully-vaccinated*** for the COVID-19 virus.

      a. Should Public Health conditions warrant, the organizers and participants of the **N6R FD-2022** event are, and should remain, prepared to re-institute *strict protocols* again on a moment's notice.

      b. **POTENTIAL REQUIREMENTS**: As a reminder re-instituted COVID *protocols could include, but may not be limited to …*

         1. Wearing *Face Coverings, supporting Social Distancing, and performing frequent Hand Sanitization.*

         2. ***Unvaccinated*** individuals should consider **not** participating in an in-person event; however, if they choose to continue to participate, then they **must** wear a face covering or mask that covers both the

nose and the mouth (e.g., when inside or in close proximity of others). [Note that those under 2-yrs old are NOT generally masked, for other safety reasons.]

3. Children must stay with adults **at all times**.
4. ***Failure to follow social distancing procedures and face coverings for unvaccinated persons could result in <u>removal</u> from the Reagan Presidential Library campus.***

c. If/when **Contact Tracing** may become necessary,...

1. The Reagan Library Staff and N6R FD-2022 event staff may share your name and Email address with a governmental health authority, should that information be requested for a COVID-19 related reason (e.g., Contact Tracing,...).
2. If a visitor reports a COVID-19 diagnosis shortly after visiting the Reagan Library, the Staff will use our contact information to notify other (possibly affected) visitors.
3. Reagan Library will not release the identity of the affected individual; and will not disclose your Email address for any other purpose without your permission.

d. **To ensure the safety and well-being of our shared community, we ask that anyone testing positive for COVID-19 (or experiencing COVID-19 symptoms) within five (5) days of your visit, please notify BOTH of the following individuals:**

1. **Vern Potter (W6NCT)**
   N6R Field Day Chairman (<u>primary</u> N6R contact), 805-390-2753 (private cell), w6nct@arrl.net
2. **Laurie Woolsoncroft Cook**
   Director of Visitor Services
   The Ronald Reagan Foundation
   40 Presidential Drive
   Simi Valley, CA 93065
   lwoolsoncroft@reaganfoundation.org

e. **Safety and Common Sense**

1. If you are sick (or not feeling well), please reschedule your visit to the Reagan Presidential Library and/or N6R FD-2022 event for another time. For the safety of all visitors and staff, anyone who is sick or has any sign of a respiratory illness **should stay home**.
2. For the mutual benefit of our shared community we ask that you practice general safety and common sense when visiting the Reagan Presidential Library. Please check your temperature before you arrive to confirm you do not have a fever. Any visitor displaying visible symptoms of COVID-19 **will be denied entry**.
3. The Reagan Presidential Library cannot guarantee that any visitor will not contract COVID-19 while in/at the Reagan Presidential Library. An inherent risk of exposure to COVID-19 still exists in any public place at this time. If necessary, the requirement for bag

inspection and visitor screening on entrance means we cannot guarantee security officers can maintain 6-foot distancing during these procedures. Visitors to the Reagan Presidential Library *voluntarily assume all risks* related to COVID-19 exposure. In the event of a reported COVID-19 exposure during your visit, potential contacts will be notified by Email, and they will be responsible for notifying all members of their party.

3. **Event Schedule:**

    a. **Friday (6/25)**

        a. **(starting noon,** *no earlier***)**: Infrastructure setup (network, towers, masts, antennas, coax, tables, chairs, pop-ups, pre-check basic station,…).

            1. Core components of W6NCT's tower-trailer will be setup first; then individuals will begin to setup KK6UE's tower-trailer and the (30-ft) tilt-up tower.

            2. Portions of individual stations may be setup before, during, and after tower setup and preparations.

            3. As soon as vehicle availability exists, selected participants will be deployed to distribute tables and chairs to the individual stations.

        b. **(5pm):** Presidential Library and Museum officially closes for the day.

            1. At this time, specific antennas will be erected in areas where vehicle and pedestrian traffic is a concern.

    b. **Saturday (6/26)**

        a. *(as early as you need):* Final station setup and radio checkout.

        b. **(9am):** N6R participant vehicles **must** be located in one of the designated areas.

        c. **(10am):** Presidential Library officially opens for the day.

        d. **(10am): Event Staff Meeting;** mandatory for Band Captains, but recommended for <u>all</u> participants; located near N6R's PIO area (i.e., near the entrance to Reagan Library (buildings)).

        e. **(11am):** Field Day event officially begins; start transmitting, make contacts, have fun!!!

        f. **(5pm):** Presidential Library and Museum officially closes for the day.

        g. **(6pm, approx.) Group Dinner.**

            1. **Location**: at the Library's picnic area (near 40M-CW/digital station).

            2. **IMPORTANT: This year is a "no-host" dinner**; so, feel free to bring your own food and beverage, and enjoy the company of other participants. Also, Stu's wife, Kim, has offered to pickup and bring food items from *Jersey Mike's*, contact Stu (AG6AG) for details.

    c. **Sunday (6/27)**

        a. **(9am):** N6R participant vehicles **must** be located in one of the designated areas.

        b. **(10am):** Presidential Library officially opens for the day.

        c. **(11am):** ARRL's Field Day officially ends; **stop transmitting**, take logging PCs to Rick (S) 75/80m-PH station; tear-down, pickup any trash, pack everything out, celebrate, and rest up for next year!

4. **Call-in and On-site simplex Frequency**
    a. On-site, please use **146.535 Simplex** (ACS Channel 18 - Moorpark Simplex)
    b. As a backup, use the Grissom (2M) repeater (**146.850 MHz, -0.6 MHz offset, PL=94.8 Hz**). If you are on-site, and cannot bring up the repeater; then try using the repeater's output frequency (in simplex mode); but identify that you are transmitting "*on the output*", and keep transmissions brief.

5. **Station locations**
    a. All stations are to be located as designated on the ***Site Plan*** (see copy below) and "https://vcars-events.groups.io/g/FD-2022/files/".
    b. If you'd like to vary from Site Plan, contact Vern (FD Chair) **first**, for approval.

6. **General information:**
    a. Other event related information is available on the "**FD-2022**" subgroup of the main "*VCARS-events*" (Groups.IO) group (see "https://vcars-events.groups.io/g/FD-2022").

7. **Logbook**
    a. Logbook enters service at noon on Friday.
    b. LOCATION (at/near either PIO area, 20M-phone, or 75/80M-PH station)
    c. Tracks who is "***on site***" or visiting N6R operating areas
    d. Please log-in, the <u>first time</u> you arrive on-side for the event (or setup)
    e. If possible, please log-out, the last time you leave the site (at the end of the event)
    f. Please make sure that all station OPERATORS sign the Logbook, especially if a (licensed) guest operator, or an (unlicensed) third-party traffic operator!
    g. Try to get **all visitors** to sign the Logbook, especially if they might be considered an "official" from any government, media, or served agency.

8. **VISITORS:**

    # a. Contact Vern (FD Chair), Peter (Primary-PIO) or Stu (Backup-PIO) of <u>any</u> VIP/Media Visitors <u>immediately</u>!

    b. <u>**ALL**</u> VISTORS, PARTICIPANTS, PRESS, GOVERNMENT OFFICIALS, ETC ., <u>**MUST**</u> SIGN & FILL OUT REQUESTED INFORMATION IN THE LOG BOOK.

9. **Pop-ups and Tents**

   a. Pop-up style shade covers (*not tents*) are allowed to be used anytime (i.e., for stations and/or Info. Booth). Consider bringing ballast to anchor it down, in the event of unexpected wind.

   b. Small tents are OK; but **ONLY** between 6 (PM) and 9 (AM) (i.e., when Library closed).

   c. If possible, these should be setup without stakes; but if that is not possible, use special care so as to not damage underground water lines.

10. **Cars and RVs**

    a. N6R participants and Ham Radio guests are **NOT** allocated or to use any parking spaces in the main paved Parking Lots. These parking areas are limited to Library patrons and staff **ONLY** (*Sorry*).

    b. Event participants (and radio guests) may unload near their designated station location; but should then park in one of the designated areas (see Site Plan diagram, and below).

    c. Top of the hill is as indicated on Site Plan for 15M-CW, and UHF/VHF-PH stations; and is *reserved* for those stations' vehicles **ONLY**. Guests of those stations may park there on a temporary basis ONLY, providing that they leave plenty of room for other vehicles to turn around.

    d. **NORMAL (designated) PARKING LOCATIONS (9am-6pm)**: Other than the stations listed above, **ALL other cars and RVs must** be parked in one of the following areas (to best accommodate other visitors to the Library).

       a. **Cars**:

          1. Park along the **north side** of the road that leads **down** from the helipad; park facing westward **ONLY** (i.e., facing down the hill, as close to the fence as is safe and practical). You should be able to turn around in the area at the top of the hill. Please allow a little room for adjacent vehicles to enter and leave.

          2. Park outside the Library gate, on **Presidential Drive** (as marked by signs).

          3. Park in the **newly paved** lots located to the **west** of the Air Force One Pavilion

          4. Of course, there is an *exception* to this for anyone with a valid (CA) ***Handicapped*** sticker and/or placard displayed on the vehicle.

       b. **RVs**:

          1. Park outside the Library gate, on **Presidential Drive** (as marked).

          2. Park in the **newly paved** lots located to the **west** of the Air Force One Pavilion

    e. **AFTER HOURS PARKING (6pm-9am)** (i.e., when Library is *closed* to the public)

       a. Event participants' cars and RVs may be moved into the main parking lots (if you like); but any that are, must then be returned to the designated areas before 9am the following day.

11. **Protocol and etiquette** (http://www.formsofaddress.info/FOA_home.html)
    a. The title "President" is reserved for the *current* office holder, because there is only <u>one</u> office holder at a time.
    b. Please use the following guidelines otherwise:
        a. Formal: The *former president Ronald Reagan*, and *former first lady Mrs. Reagan*
        b. Casual: *Mr. Reagan and Mrs. Reagan* (this is what Library Staff typically use)
        c. **<u>Never</u>** refer to Mr. or Mrs. Reagan by their first names alone.

12. **Generator Guidelines: <u>NO EXCEPTIONS!</u>**
    a. Fire extinguishers (of appropriate type and size) are REQUIRED for anyone using a generator; and must be located near-by (e.g., within 20 feet) and clearly visible.
    b. Any gas storage containers should be a safe distance (e.g., 20 feet) from the generator.
    c. Generator <u>MUST</u> be turned <u>OFF</u> while re-fueling.

13. **Misc**:
    a. Please remind ALL participants and visitors to utilize trash containers!
    b. We pick up **<u>105%</u>** of the trash before we go home, and try to leave the site **<u>better</u>** than how we found it (if at all possible)!
    c. Have **plenty of water**, **sunscreen**, and bug repellant.
    d. Keep a hat, work gloves, flashlight, and fire extinguisher handy.

Participant Handout for 2022 "N6R" Field Day Event, held at the Reagan Presidential Library (Simi Valley, CA)

Safety Briefing

- *This year's Health & Safety Officer* (and Event Chairman) is **Vern Potter** (W6NCT)
  - Rick Slater (NQ6X, network, and (N1MM) logging Admin) is **CPR trained**.
  - Stu Sheldon (AG6AG, Vice-chairman, network) is also **CPR trained**.
- Contact Vern, Stu, or Rick (S) (in that order), if event Staff and/or Presidential Library security and/or grounds-personnel are needed.
- A **First Aid kit** is located near PIO area, if needed for minor cuts and scrapes.
- The direct number for the **Library Security is 805-577-4011**. Use this number sparingly, and ONLY if appropriate; and <u>try to contact Vern, Stu, or Rick (S.) **first**</u>, if at all possible.
- If <u>**any**</u> Library personnel ask you to change something, **comply immediately, without question**; then, notify Vern (FD Chair) about the request.
- <u>Everyone</u> gets a safety briefing to include wires, stakes, observing caution tapes, fire risk, and possible snake activity. This is generally done during the Saturday (10am) meeting.
- **There is no substitute for common sense !!!**
- Plan your work carefully and take safety into every consideration
- Ensure antenna setup and take-down protects life and property. <u>Use enough personnel</u>!
  - Ref: http://www.arrl.org/files/file/Technology/tis/info/pdf/0106091.pdf
- Ensure no property or person is in range of a sling shot launch (or hand-pitched ropes).
- Antennas must be located so they <u>cannot</u> possibly tangle with power lines (e.g., during normal operation, <u>or</u> if the structure should fall).
- As much as possible, orient wires and guys out of (and well above) high-traffic areas. Provide a vertical clearance of **at least 15 feet** over any roadway or parking-lot crossings.
- Conspicuously mark any potential hazards with CAUTION tape where possible.
- **Snake Activity and other emergencies!**
  - Anyone encountering a snake should *immediately* send someone to notify the N6R Chairman/Safety Officer (Vern P.) and/or Alternate (Stu S.). If possible, leave someone to watch the snake (<u>from a safe distance</u>), so that it'll be easier to find it when officials show up. Vern and/or his alternates will notify the Library Staff (e.g., Security), who will send someone to deal with the snake.
  - If a poisonous snake bites <u>anyone</u> …
    - # Call 911   <u>FIRST!</u>
    - Contact Safety Officer (Vern P.) and/or Alternate (Stu S.) **SECOND**
    - Don't try to suck the venom out.
    - Keep person calm; and apply tourniquet, if applicable.
    - If you don't know if a snake is poisonous or not, always assume that it is!
    - Note that the **Library <u>does NOT</u> have a snakebite kit**.

Operators

- Please try to copy the **FIELD DAY BULLETIN** (see schedule below)

- Band Captains must operate their station in accordance with the privileges granted to the license class of the **Control Operator**.
  - o For example, if the Control Operator's license is *lower* than yours, they cannot operate in frequencies/modes reserved to your license.

- **Contact Logging**: We are using the **N1MM** logging software (same as last few years).
  - o BEFORE THE EVENT, please pre-load/install the "*latest*" available version and updates (see https://n1mmwp.hamdocs.com/). Feel free to play with it, to get familiar with its basic organization. Don't worry about the specific "station" configuration; it will be overloaded with a standard setup at the event site (by Rick S., see below).
  - o Refer to document for guidance (see "https://vcars-events.groups.io/g/FD-2022/files ").
  - o Rick S. (NQ6X, RSlater@gmail.com) will assist each Band Captain with updates and configuration, as needed.
  - o Rick S. will be conducting an N1MM "*clinic*" before the event, at the regularly scheduled June VCARS meeting (see http://vcars.org/meeting.php for details). Band-Captains, especially, should make a point to attend; others doing logging are also welcome!
  - o At the end of the event, bring logging laptop back to the PIO area to insure that it is in-sync with the rest of the logging database. This can be done before, during, or after you tear-down your station.
  - o N1MM requires (XP w/SP3, Vista, Win7 or Win8, or Win10) for PC operation.
  - o No special Software License is required for N1MM.
  - o Forward installation and setup questions to Rick S. (NQ6X, RSlater@gmail.com).

- Display the (band/mode, laminated) placards in a conspicuous place for passers-by to see; and reference them for explaining station operation to the public.

- **ENGAGE THE PUBLIC!** BE PREPARED TO EXPLAIN WHY THIS IS A *FACINATING* HOBBY; and if appropriate, try to get them on-the-air as well.
  - o *John* or *Jane Q Public* can make a contact under **FCC's *third party traffic*** rules:
    - ▪ Announce *third party traffic*
    - ▪ Unlicensed person makes contact
    - ▪ Announce *end of third party traffic* and sign with 'N6R' and your personal call

Participant Handout for 2022 "N6R" Field Day Event, held at the Reagan Presidential Library (Simi Valley, CA)
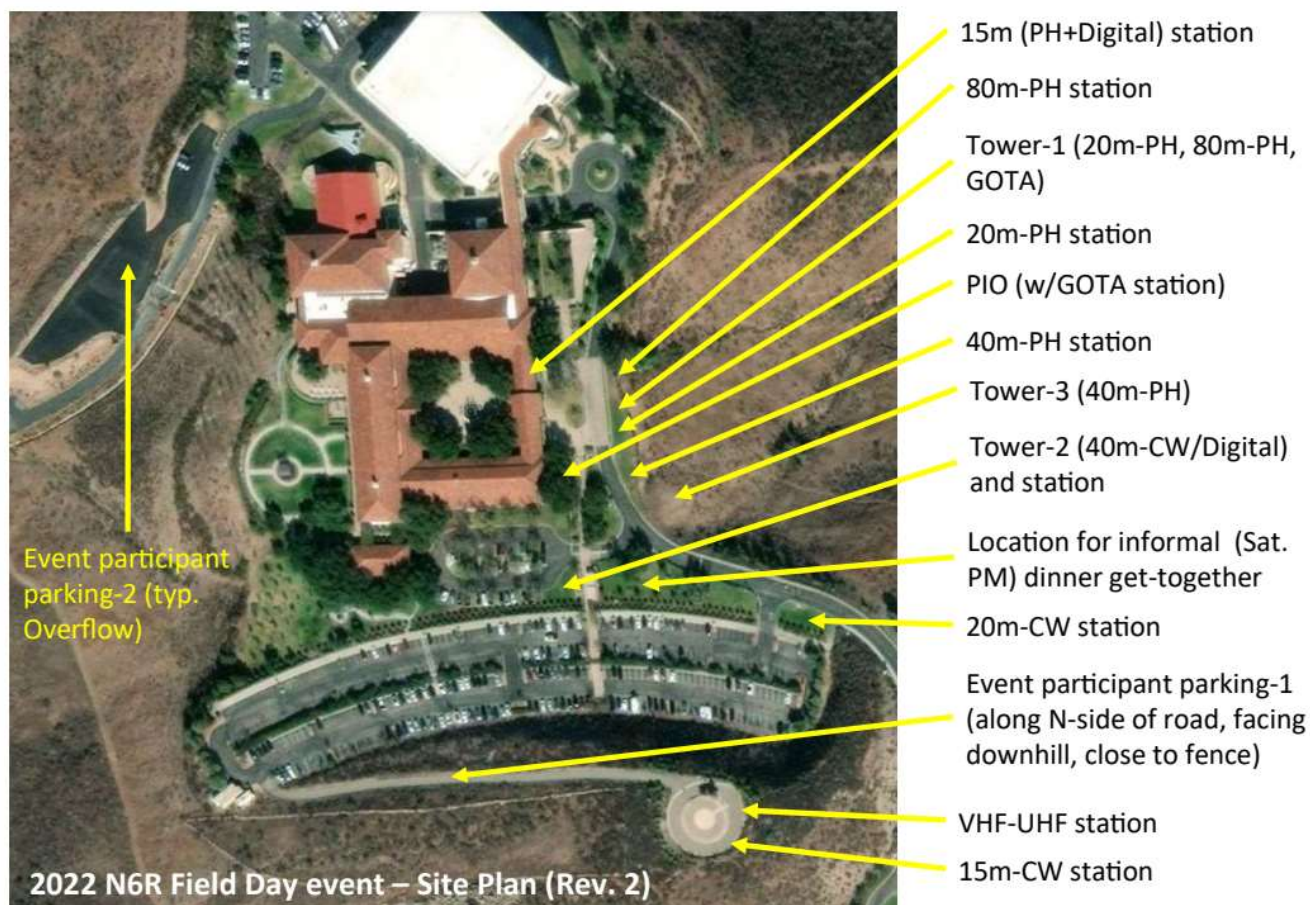

- Try to use frequencies (as published in the past in QST, CQ, or www.qrz.com/db/n6r)
    - On-site and "Talk-in": **146.535 Simplex** (ACS Channel 18 - Moorpark Simplex)
    - *10M: **28.400** MHz USB (CW freq. not specified)*
    - *15M: **21.320** MHz USB (CW freq. not specified)*
    - *20M: **14.255** MHz USB (CW freq. not specified)*
    - *40M: **7.260** MHz LSB (CW freq. not specified)*
    - *Specific frequencies were <u>not</u> specified for other bands or modes.*

- Always be courteous and observe HF/VHF/UHF band plans.

- <u>**DO NOT**</u> make contacts through repeaters; they won't count towards our points.

- **At least, once each hour, identify that "*N6R is a Special Events station operating at the Reagan Presidential Library, the call is registered under N6ZE's call*".** Feel free to also identify your own personal call periodically if you like.

- Clubs and affiliated organizations involved:
    - Ventura County Amateur Radio Society (http://vcars.org/)
    - Simi Settlers Amateur Radio Club (http://www.simisettlers.org/)
    - American Radio Relay League (http://www.arrl.org/)

- Event Exchange Information
    - Event Call-sign: **N6R** (special events call, under N6ZE)
    - *Operating Class:* est. **11A** (confirmed *at Sat. 10AM meeting)*
    - ARRL / RAC section: **SB** (Santa Barbara)

- Provide the following **QSL information**, if requested by the worked station:
    - <u>**NO**</u> e-QSL (electronic QSL cards) or LOTW (Logbook of the World, http://www.arrl.org/logbook-of-the-world)
    - **NOTE**: N6R has is a slightly **OVERSIZED** Field Day QSL card; so be sure to tell those interested to send a (#10, business size or larger) stamped, self-addressed, envelope to: "Peter Heins, N6R (VCARS), 1559 Norwich Ave, Thousand Oaks, CA 91360"

FIELD DAY BULLETIN SCHEDULEs (3/2022)

W1AW Bulletins:

Day	Mode	Pacific	UTC
FRIDAY	CW	5:00 PM	0000 (Sat)
	Digital	6:00 PM	0100 (Sat)
	Phone	6:45 PM	0145 (Sat)
	CW	8:00 PM	0300 (Sat)
SATURDAY	CW	7:00 AM	1400
	Phone	8:00 AM	1500
	CW	5:00 PM	0000 (Sun)
	Digital	6:00 PM	0100 (Sun)
	Phone	6:45 PM	0145 (Sun)
SUNDAY	CW	7:00 AM	1400
	Phone	8:00 AM	1500
	Digital	9:00 AM	1600

K6KPH Bulletins:

Day	Mode	Pacific	UTC
SATURDAY	CW	7:30 AM	1430
	CW	5:30 PM	0030 (Sun)
	Digital	6:30 PM	0130 (Sun)
SUNDAY	CW	7:30 AM	1430
	Digital	9:30 AM	1630

- W1AW will operate on the regularly published frequencies.
  - CW frequencies are 1.8025, 3.5815, 7.0475, 14.0475, 18.0975, 21.0675, 28.0675, 50.350 and 147.555 MHz.
  - Digital frequencies are 3597.5, 7.095, 14.095, 18.1025, 21.095, 28.095, 50.350 and 147.555 MHz.
    - Note: W1AW will transmit the Field Day Bulletin using 45.45 baud (baudot), PSK31 (BPSK Mode), and MFSK16 in this mode order.
  - Phone frequencies are 1.855, 3.990, 7.290, 14.290, 18.160, 21.390, 28.590, 50.350 and 147.555 MHz.
- The Maritime Radio Historical Society's station K6KPH will transmit the "W1AW" Field Day message for the benefit of West Coast stations on 3.5815, 7.0475, 14.0475, 18.0975 and 21.0675 MHz. The frequencies for K6KPH Teleprinter (RTTY, PSK31 and MFSK16) will be 7.095 and 14.095 MHz (in this mode order).
- This schedule is correct at the time of publishing this packet, but be sure to check the ARRL Main News page (www.arrl.org) in case of any last-minute changes.
