Old Post Amateur Radio Society, Inc. FIELD DAY – June 25, 2022.

### Field Day is Ham Radio's Open House.

Over 40,000 Ham's throughout North America setup Temporary Transmitting Stations in public places to demonstrate ham radio's Science, Skill, Emergency Preparedness, Community Out-reach and Technical skills all in a single event. Field Day has been an Annual Event Since 1933, and remains the most popular event in Ham Radio.

I have had the opportunity to visit and gain first-hand knowledge of our local Organizations dedication to Ham Radio.
